

Style differences between the Australian Government *Style manual* and AMOS

AMOS and the Australian Government *Style manual* (published online in 2020) have many overlaps in content and recommendations, although AMOS is broader in scope.

In areas covered by both manuals, some style recommendations differ. The table below shows the main differences as at October 2022. (Note that both style manuals are online resources and so may be amended at any time.)

Editing process	Proofreading compares the content that is about to go live or to print with a master copy ... Proofreaders do not make changes to content ... Proofreading does not include checking: <ul style="list-style-type: none">• for inconsistent language, spelling or grammar• non-textual elements, such as the content of tables or illustrations	Proofreading before design includes correcting the electronic copy Proofreading after design includes marking up page proofs
Punctuation: hyphen (prefixes)	Examples: <ul style="list-style-type: none">• non-government, post-nominal	Examples: <ul style="list-style-type: none">• nongovernment, postnominal
Punctuation: hyphen (expressing ages)	Example: <ul style="list-style-type: none">• They're a close-knit group of 12 year olds.	Example: <ul style="list-style-type: none">• They're a close-knit group of 12-year-olds.
Punctuation: hyphen (compound words)	Use hyphens for points such as 'north-east'	Set solid: 'northeast'
Punctuation: en dash (year spans)	Avoid en dashes in spans of years. Write the years out in full. The exception is for date ranges for: <ul style="list-style-type: none">• financial years• information in parentheses, such as terms of office and years of birth and death. Examples: <ul style="list-style-type: none">• the 2020–21 financial year• Sidney Nolan (1917–1992) had 3 younger siblings• Australia's prime minister at the start of the Depression was James Scullin (1929–1932)• Caroline Chisholm (1808–1877)	Use en dashes and abbreviated date ranges. Examples: <ul style="list-style-type: none">• the 2020–21 financial year• Sidney Nolan (1917–92) had 3 younger siblings• Australia's prime minister at the start of the Depression was James Scullin (1929–32)• Caroline Chisholm (1808–77)
Punctuation: en dash (minus sign)	Don't use an en dash instead of a minus sign. Screen readers will read dashes as dashes, not as the minus sign.	It is acceptable to use an en dash (but not a hyphen) to represent the minus sign; however, be aware that some screen readers do not read en dashes or minus signs correctly

Italics	Pythagoras's theorem for a right-angled triangle proved that $a^2 + b^2 = c^2$	Only italicise the variables in an equation: $a^2 + b^2 = c^2$
Capitals	Don't use an initial capital at the start of sentences when the trade mark or brand starts with a lower case letter. Example: <ul style="list-style-type: none"> eBay is a popular online auction site. 	Capitalise these names at the start of a sentence, or rewrite the sentence so that the shortened form does not appear at the beginning. Example: <ul style="list-style-type: none"> EBay is a popular online auction site.
Plants and animals	When there are several genera that start with the same letter, include the second letter in the abbreviation. Example: <ul style="list-style-type: none"> <i>Anopterus macleayanus</i> and <i>Aleuries moluccana</i> are small Australian trees. Although <i>An. macleayana</i> is found in cool places, <i>Al. moluccana</i> can tolerate tropical conditions. 	If there is any chance of ambiguity for the genus name, write it out in full. Example: <ul style="list-style-type: none"> <i>Anopterus macleayanus</i> and <i>Aleuries moluccana</i> are small Australian trees. <i>Anopterus glandulosus</i> is a shrub that is endemic to Tasmania. [Not <i>A. glandulosus</i> or <i>An. glandulosus</i>]
Currencies	Don't place a space between the IBAN currency code and the numerals.
